**IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.**

### **⚠ WARNING – Seizures**

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, and this may occur while they are watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch their children play video games. Stop playing and consult a doctor if you or your child has any of the following symptoms:

Convulsions	Eye or muscle twitching	Altered vision
Loss of awareness	Involuntary movements	Disorientation
- To reduce the likelihood of a seizure when playing video games:
  1. Sit or stand as far from the screen as possible.
  2. Play video games on the smallest available television screen.
  3. Do not play if you are tired or need sleep.
  4. Play in a well-lit room.
  5. Take a 10 to 15 minute break every hour.

### **⚠ WARNING – Repetitive Motion Injuries and Eyestrain**

Playing video games can make your muscles, joints, skin or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists, arms or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomfort during or after play, stop playing and see a doctor.

### **⚠ CAUTION – Motion Sickness**

Playing video games can cause motion sickness in some players. If you or your child feel dizzy or nauseous when playing video games, stop playing and rest. Do not drive or engage in other demanding activity until you feel better.

From the Story menu you can resume your most recent campaign or start a new one. You may also use the Mission Select option to replay an already completed mission at any difficulty.

Note: Modern Warfare® 3 uses an automatic checkpoint save system to save your game progress. You may also choose to use the Save and Quit option from the in-game Pause menu.

## SPECIAL OPS

Use the find match option to link up with a player online or through private match to link up with a friend. Choose the solo option to test your skills on your own.

NOTE: An internet connection is required even for the solo play mode.

## SURVIVAL MODE

Survive countless waves of enemies on Multiplayer maps, utilizing available resources to climb the Special Ops ranks. Revisit maps to break your previous wave record.

## MULTIPLAYER

# HEADS-UP DISPLAY

1. **Stance Indicator** – Indicates whether you are standing, crouching or prone.
2. **Inventory** – Displays devices and/or weapon attachments that are currently available.
3. **Grenade Indicator** – Icon warning you that there is a grenade nearby, arrow indicates the location of the grenade.
4. **Damage Indicator** – Red marker shows that you are taking damage and the direction the damage is coming from. (See Health System, page 7)
5. **Use Icon** – This only appears when you are near a weapon or interactive object, indicates what button to press to interact with the weapon or object.
6. **Ammo Count** – Shows remaining bullets for currently equipped weapon, as well as remaining grenade supplies.
7. **Match Info** – Displays current score, team icon and time remaining in match. (MP Only)
8. **Mini-Map** – Shows map of local area plus locations of friendlies and known hostiles.
9. **Crosshair** – Indicates where you are currently pointing your weapon. Turns red when positioned over an enemy, green when positioned over a friendly. Walking or running causes the crosshair to grow wider or sometimes disappear altogether, indicating a loss of accuracy. Stopping movement, crouching and going prone increase accuracy.\*
10. **Pointstreak Inventory** – Indicates how many levels of points you need to acquire the next Pointstreak. Any acquired Pointstreak can be used in the Pointstreak Inventory by pressing up or down on the +Control Pad to cycle through them and pressing right on the +Control Pad to equip the item. (MP Only)

\*Note: When you press the ADS button, you will aim down the sights or scope of your weapon. This will greatly increase your accuracy and decrease your movement speed. While in ADS the crosshair will disappear.

## HEALTH SYSTEM

When you take damage from enemy fire, blood splatter will appear and the damage indicator will show you the direction the fire is coming from. If you can find cover and avoid enemy fire you will eventually recover and be able to continue at full strength.

From here you may access game Options (described below), restart the current level, revert to your last checkpoint, lower the difficulty of the game if the mission is too hard, or save and quit to the Main Menu.

## MULTIPLAYER OBJECTIVES SCREEN

Modern Warfare 3 cannot be paused while playing in MP mode. Pressing **(1)** in MP will bring up a menu that will allow you to choose a new class (taking effect on your next spawn), view the description of your current game mode, and access the Options menu. Keep in mind that the MP match is still active in the background when you are in this screen.

"PROGRAM" INCLUDES THE SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ASSOCIATED MEDIA, ANY PRINTED MATERIALS, AND ANY ON-LINE OR ELECTRONIC DOCUMENTATION, AND ANY AND ALL COPIES AND DERIVATIVE WORKS OF SUCH SOFTWARE AND MATERIALS. BY OPENING THIS PACKAGE, AND/OR USING THE PROGRAM, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION PUBLISHING, INC. ("ACTIVISION").

**LIMITED USE LICENSE.** Activision grants you the non-exclusive, non-transferable, limited right and license to use one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision. This Program is licensed, not sold. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision's licensors may protect their rights in the event of any violation of this Agreement.

## YOU SHALL NOT:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.

- Export or re-export this Program or any copy or adaptation in violation of any applicable laws or regulations.

**LIMITED SOFTWARE WARRANTY.** Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the purchaser finds the recorded medium of the Program defective within 90 days of original purchase, Activision agrees to replace, free of charge, such recorded medium of the Program discovered to be defective within such period upon its receipt of the recorded medium of the Program, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar product of equal or greater value. This warranty is limited to the recording medium of the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment or neglect. This remedy is the purchaser's sole, exclusive remedy, and is in lieu of all other express warranties. Any implied warranties on this product prescribed by statute, including but not limited to an implied warranty of merchantability or fitness for a particular purpose, are expressly limited in duration to the 90-day period described above.
