HEALTH WARNING - Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Discontinue playing if you experience dizziness, nausea, fatigue or have a headache. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

3D HEALTH WARNING - Some people may experience discomfort (such as eye strain, eye fatigue or nausea) while watching 3D video images or playing stereoscopic 3D games on 3D televisions. If you experience such discomfort you should immediately discontinue use of your television until the discomfort subsides. Generally we recommend that you avoid prolonged use of your PS4™ system and take 15 minute breaks during each hour of play. However, when playing stereoscopic 3D games or watching 3D video, the length and frequency of necessary breaks may vary from person to person – please take breaks that are long enough to allow any feelings of discomfort to subside. If symptoms persist, consult your doctor. The vision of young children (especially those under six years old) is still under development. We recommend that you consult with your child's doctor or optometrist before allowing young children to watch 3D video images or play stereoscopic 3D games. INTRODUCTION

Kaos has discovered the ancient power of Mind Magic and is using it to create an unstoppable army of Doomlanders! Eon is calling upon all Portal Masters and Skylands' greatest mystic warriors, the Senseis, to stop Kaos and his minions. Now, you must use the power of your imagination to create your own Skylanders to battle in the ultimate adventure alongside the almighty Senseis to save Skylands.

PORTAL OF POWER

To begin Skylanders™ Imaginators, connect the **Portal of Power** to your PlayStation®4 system. Once your **Portal of Power** is connected, place your Skylander on the **Portal of Power** and watch your Skylanders come to life! When playing Single Player, you can have either 1 Skylander or 1 Creation Crystal on the **Portal of Power**. While playing Local Co-op, you can have 2 Skylanders or 2 Creation Crystals. In the Skylanders Racing Mode you can boost your collection of vehicles by placing vehicles on the **Portal of Power** one at a time.

Note: Electronic devices and metal surfaces may interfere with the **Portal of Power**.

TOYS

Skylanders Imaginators can be played with Skylanders from all previous games. During gameplay you can switch Skylanders at any time. Traps can only be used in Skylanders Racing Mode, and are only compatible with a **Portal of Power** that includes a Trap Slot.

Your Skylander toy or Creation Crystal will save your Imaginator (Creation Crystal only), experience points and level, upgraded skills and abilities, and gold. This allows you to enter Skylands through another **Portal of Power** while still playing with your own upgraded collection of toys. While at your friend's house, your Skylander will continue to save any currency and experience collected.
