Important Health Warning: Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause "photosensitive epileptic seizures" while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

INTRODUCTION

Greetings, Portal Master! Skylands needs your help! Kaos is back with his most diabolical scheme ever. He has constructed a powerful Doomstation, known as the Sky-Eater, and it is feeding The Darkness! The more sky it consumes, the stronger The Darkness becomes. But fear not! We have assembled an elite team of Skylanders known as the SuperChargers to pilot an unstoppable fleet of vehicles - powered by the legendary Rift Engines! You must take to the Land, Sea and Sky to stop Kaos and The Darkness before it is too late. Good luck, Portal Master!

PORTAL OF POWER™

To begin *Skylanders™ SuperChargers*, the *Portal of Power™* must first be connected to your Xbox One console. With the Xbox One console powered off, insert the *Portal of Power™* into an available USB port. Power on your Xbox One console and the *Portal of Power™* will automatically be ready for use. Once placed on the *Portal of Power™*, the Skylander and their vehicle will come to life in Skylands. Note: Electronic devices and metal surfaces may interfere with the *Portal of Power™*.

TOY PLACEMENT

You may place up to 3 toys on the *Portal of Power™* at once: 1 Skylander and 1 vehicle for Single Player, 2 Skylanders and 1 vehicle for Local Co-op. Additionally, you may place 1 trophy (sold separately).
