

**ВНИМАНИЕ!** Перед началом игры ознакомьтесь с руководствами по использованию консоли Xbox 360®, сенсора Xbox 360 Kinect® и аксессуаров. В этих документах содержатся важные сведения о технике безопасности.  
[www.xbox.com/support](http://www.xbox.com/support).

**Предупреждение о вреде для здоровья: возможны эпилептические припадки, связанные с повышенной чувствительностью к свету**

Небольшой процент людей подвержен припадкам от воздействия визуальных эффектов, например мерцающего света или изображений, которые могут появляться в видеоиграх. Люди, не испытывавшие ранее подобных приступов и не страдающие эпилепсией, могут не знать о своей болезни, которая может спровоцировать эпилептические припадки, связанные с повышенной чувствительностью к свету. К симптомам относятся: головокружение, искажение визуального восприятия, судороги лицевых мышц, нервный тик, подергивание либо дрожание рук или ног, потеря ориентации, спутанность либо кратковременное помутнение сознания, потеря сознания или конвульсии, в результате которых можно упасть или удариться о находящиеся рядом предметы и получить травму. **Если вы обнаружили у себя любой из этих симптомов, немедленно прекратите играть и проконсультируйтесь с врачом.** Родители должны следить за состоянием детей и спрашивать у них о наличии вышеописанных симптомов, так как дети и подростки более подвержены таким приступам, чем взрослые. Риск можно снизить, если сидеть как можно дальше от экрана, использовать экран с меньшей диагональю, играть в хорошо освещенной комнате, не играть в сонном или усталом состоянии. Если вы или ваши родственники страдаете припадками или эпилепсией, перед началом игры обязательно проконсультируйтесь с врачом.

# УПРАВЛЕНИЕ

## Геймпад Xbox 360

## Управление ударной группой

# ГЛАВНОЕ МЕНЮ

Выберите Кампанию, Сетевую игру или Зомби.

## КАМПАНИЯ

Продолжение истории Call of Duty: Black Ops. Из меню Кампании вы можете продолжить прохождение уже существующей кампании или начать новую. Вы так же можете использовать меню Выбор эпизода, чтобы переиграть уже пройденный эпизод на любой сложности.

Примечание: Black Ops II сохраняет ваш прогресс автоматически в контрольных точках. Вы так же можете выбрать опцию Сохранить и выйти в меню паузы в самой игре.

## УДАРНАЯ ГРУППА

Миссии ударной группы в Call of Duty: Black Ops II это новый подход к традиционной одиночной игре Call of Duty, совмещающий стратегию в реальном времени с проверенной механикой шутера от первого лица. Примите участие в особых миссиях, имеющих непосредственное отношение к кампании игры как один из солдат на поле боя, как стратег управляющий всем из штаба или управляя одним из нескольких особых военных дронов. Добейтесь успеха и принесите победу своей стране или проиграйте и наблюдайте за последствиями своих неудач в кампании.

## СЕТЕВАЯ ИГРА

Соревнуйтесь с другими игроками Call of Duty: Black Ops II по сети и локально на многочисленных картах в разных режимах сетевой игры (СИ). Открывайте новое оружие, модули, перки и звания!

## ЗОМБИ (1-8 ИГРОКОВ)

Переживите нашествие орды зомби в одиночку, вместе или соревнуйсь против других игроков в новом расширенном режиме Зомби в Call of Duty: Black Ops II. Вместе с друзьями отбивайтесь от все более смертоносных волн зомби в традиционном режиме Выживание; соревнуйтесь с командой других выживших в новом режиме Беда, или попробуйте совершенно новый режим TranZit, первую кампанию режиме Зомби. Но будьте осторожны – в городе Green Run вас поджидают не только Зомби...

## НАСТРОЙКИ

Настройте игру под ваши личные предпочтения. Настроить можно управление, помощь в прицеливании, чувствительность мыши, фильтр графического контента и многое другое.

## СТЕРЕОСКОПИЧЕСКОЕ 3D

Call of Duty: Black Ops II поддерживает функцию стереоскопического 3D, которую можно включить/отключить в меню Настройки. Учтите что для использования этой функции необходим телевизор с поддержкой 3D с затворными 3D очками. Ознакомьтесь с инструкцией вашего 3D-телевизора чтобы узнать как включить функцию 3D.

# ! ВНИМАНИЕ !

Предупреждение о стереорежиме. Некоторые люди могут испытывать неприятные ощущения (чрезмерное напряжение зрения, утомление глаз, тошноту) при просмотре видео в стереорежиме или при игре в видеоигры на телевизорах с поддержкой стереоизображения. При появлении неприятных ощущений следует немедленно прекратить использование телевизора.

Обычно рекомендуется избегать продолжительной игры и делать 15-минутные перерывы после каждого часа игры. В случае неприятных ощущений, боли или продолжительных симптомов обратитесь к врачу.

Всегда соблюдайте процедуры предосторожности и следуйте инструкциям, которые поставляются со стереоскопическими телевизорами или очками.

## ИНТЕРФЕЙС

1. **Миникарта** – показывает карту окружающей местности и положение своих игроков и в некоторых случаях врагов.
2. **Информация о матче** – Показывает текущий счет, значок команды и оставшееся время до конца матча (только в сетевой игре).
3. **Индикатор гранаты** – Значок, предупреждающий о находящейся поблизости гранате; стрелка указывает на место где находится граната.
4. **Перекрестие** – указывает, куда направлено ваше оружие. Становится красным, когда наведен на врага, зеленым, когда наведен на союзника. При ходьбе и беге прицел становится шире, а иногда и пропадает, обозначая снижение точности стрельбы. Повысить точность можно остановившись, присев или перейдя в положение лежа.\*

5. **Значок взаимодействия** – Появляется, когда вы находитесь рядом с оружием или интерактивным объектом, указывает какую кнопку необходимо нажать, чтобы взаимодействовать с объектом.

6. **Инвентарь наград за серию** – указывает, сколько очков вам нужно набрать, чтобы получить следующую награду за серию и какие награды вы выбрали и можете заработать по ходу матча. Любая награда может быть выбрана из инвентаря с помощью кнопок 1 и 2, и использована с помощью кнопки 3 (только в сетевой игре).

7. **Индикатор оружия** – показывает, какое оружие у вас сейчас в руках.

8. **Счетчик патронов** – Показывает сколько патронов осталось для оружия, которое находится у вас в руках, а так же сколько у вас осталось гранат.

9. **Инвентарь** – Показывает экипировку и/или доступные модули для оружия.

10. **Индикатор урона** – Красный маркер показывающий что вы получаете урон и направление откуда он наносится. (См раздел Здоровье, на странице 6).

*\*Примечание: Если вы нажмете кнопку Посмотреть в прицел, то вы будете видеть цель через прицел своего оружие. В этом случае точность вашего оружия сильно возрастает и снижается скорость вашего перемещения. Перекрестие при этом не отображается.*

## ЗДОРОВЬЕ

Когда вы получаете урон от вражеского огня, на экране появятся пятна крови и индикатор урона, показывающий направление с которого в вас стреляют. Чем больше полученный вами урон, тем краснее будет становиться экран, вы услышите учащенное сердцебиение и тяжелое дыхание. Если вы найдете укрытие, вы сможете восстановить здоровье.

## МЕНЮ ПАУЗЫ/СПИСОК ЗАДАНИЙ

В любой момент в Кампании или Зомби нажмите  чтобы поставить игру на паузу и открыть это меню. Отсюда вы можете перейти в меню настроек, перезапустить текущий уровень или сохраниться и выйти в главное меню.

## МЕНЮ ЗАДАНИЙ В СЕТЕВОЙ ИГРЕ

В Call of Duty: Black Ops II в сетевой игре нет паузы. Нажатие  в сетевой игре откроет меню, в котором вы можете выбрать другой класс (сменится при следующем возрождении), посмотреть описание текущего режима игры или перейти в меню настроек. Помните что пока вы находитесь в этом меню матч продолжается.

## КАРТОЧКА ИГРОКА (ТОЛЬКО В СЕТЕВОЙ ИГРЕ)

Зайдите в меню Карточка игрока, чтобы создать вашу собственную эмблему. Просмотрите Недавние игры вас или ваших друзей и сохраните их в Общих файлах. Вы можете смотреть и оценивать фильмы, клипы, скриншоты и настройки своих игр других игроков сообщества Call of Duty: Black Ops II.

Так же из меню Карточка игрока вы можете ознакомиться с ключевыми показателями вашей игровой статистики в меню Статистика, посмотреть ваш прогресс в Испытаниях, посмотреть Списки лидеров и создать Тэг клана.

# СЛУЖБА ПОДДЕРЖКИ

## РАБОТА С КЛИЕНТАМИ И ТЕХНИЧЕСКАЯ ПОДДЕРЖКА В ЕВРОПЕ

Сетевые ресурсы Activision

В целях экономии средств мы рекомендуем обращаться к ресурсам поддержки на нашем веб-сайте.

Поддержка в Интернете

<http://www.activision.com/support>

В разделе службы поддержки на нашем веб-сайте представлены наиболее актуальные сведения.

Мы ежедневно обновляем материалы службы поддержки, поэтому инструкции по решению любых проблем следует в первую очередь искать на нашем веб-сайте.

Веб-служба доступна ежедневно и круглосуточно; на веб-сайте представлен полный перечень известных проблем, а также все новейшие обновления и исправления.

Поддержка по электронной почте

Чтобы получить по электронной почте консультацию по вопросу, не освещенному на нашем веб-сайте, напишите письмо по адресу: <http://www.activision.com/support>

**ПРИМЕЧАНИЕ:** услуги поддержки на веб-сайте и по электронной почте доступны только на английском языке.

Поддержка по телефону

По любым вопросам, не разъясненным на веб-сайте и по электронной почте, обращайтесь в телефонную службу поддержки Activision в Великобритании по телефону + 44 845 528 0269 с 10.00 до 20.00 по британскому времени в любой день с понедельника по пятницу, за исключением праздников. Действуют местные тарифы телефонной связи.

Ваш звонок может быть записан

**ПРИМЕЧАНИЕ:** обращайтесь в службу поддержки только по техническим вопросам; сотрудники службы не дают консультаций по кодам, подсказкам и скрытым возможностям игр.
