INTRODUCTION

Greetings, Portal Master! Skylands needs your help! Kaos is back with his most diabolical scheme ever. He has constructed a powerful Doomstation, known as the Sky-Eater, and it is feeding The Darkness! The more sky it consumes, the stronger The Darkness becomes. But fear not! We have assembled an elite team of Skylanders known as the SuperChargers to pilot an unstoppable fleet of vehicles - powered by the legendary Rift Engines! You must take to the Land, Sea, and Sky to stop Kaos and The Darkness before it is too late. Good luck, Portal Master!

PORTAL OF POWER™
